With the self-adhesive BoxRunner...
Just attach and go!

- Strong solid board structure
- Lightweight
- Resistant for humidity
- Environmentally-friendly
- 100% recyclable

Sustainable packaging is your contribution to the environment

BoxRunners have made the handling, transportation and recycling of corrugated boxes easier, faster and more economical. The BoxRunner is light, but at the same time very strong so that it can carry heavy loads.

Strong - Eltete BoxRunner is the strongest palletrunner in the market since 10 years.

Resistant - Reinforced wet strengthened kraftliner resists dragging and gives high protection against humidity.

Freight - The ISPM-15 compliant BoxRunner is accepted anywhere in the world without restrictions.

Savings - By reducing packaging material, you will need less space in your warehouse and can load more. Material, weight and volume reduction are the keys to huge savings.

Environment - Your company's CO₂ footprint will be reduced by using 100%-recyclable and single-material carton packaging.
